

## 8.15. Designers table

In order to open the Designers database, in the main menu click “Designers”.

In the designers table the user can filter the data by using Search option – type in letters or digits to filter the designers.

Designers

Main > Designers

Delete Add designer

london

<input type="checkbox"/>	Name	Surname	Address	Pages/day	Price	Status
<input type="checkbox"/>	Anna	Wooden	Victoria Place, 115 Buckingham Palace Rd, London SW1W 9SJ,	8.0	6.00	Available

Designers table is very flexible in terms of tailoring the selected data according to the translation agency needs. Any column can be removed or edited up to the translation agency request to developers of OCLanguage.

User can filter data in the Invoices database by using 2 methods:

1. Type letters or numbers in “Search” field and click “Enter”

Designers

Main > Designers

Delete Add designer

London

<input type="checkbox"/>	Name	Surname	Address	Pages/day	Price	Status
<input type="checkbox"/>	Anna	Wooden	Victoria Place, 115 Buckingham Palace Rd, London SW1W 9SJ,	8.0	6.00	Available

Below you will see a list of parameters (column names) the system searches data for:

- Name
- Surname
- Address.

! Please note that data filter can be removed by deleting text in “Search” field and clicking “Enter”.

2. Filter data by sorting data from A to Z and vice versa by clicking on the column name.

Name	Surname	Address	Pages/day	Price	Status
Анна	Каримова	Москва, улица Таганская, 1/2	6.0	3.50	Available
Андрей	Ростер	Москва, ул. Шарикоподшипниковская, 11, стр. 5	5.0	4.50	Available
